NOTES

Interviews for the sixth annual Texas Scholars Program will be held on Saturday, February 28 and March 7, from 9 a.m. to 1 p.m. Anyone interested in interviewing prospective freshmen for these scholarships, please contact Lysa Mattison in the Undergraduate Admissions Office (ext. 5395) for further details.

During the last weeks of February the Library will be testing its new automated circulation system, and it should be functioning smoothly by the early part of March. Once it is operating efficiently, this new system will greatly improve Library service. Therefore, the Library staff requests that faculty members and students be patient with us while we are undergoing this transition.

Those wishing to use the facilities in the Haggar University Center please contact Ms. Bette Cole in the Planning and Development office, ext. 5147.
